

Why Vote Against Barbara Comstock?

She says one thing and does another. She votes for president Trump's policies 97.4% of the time.

Rep. Comstock has voted to:

➤ Limit Access to Healthcare

- Campaigned on repealing Obamacare; then when it became clear the repeal bill would not pass, voted against it. H.R. 1628
- Limit lawsuits related to federally subsidized healthcare, undermining patient protections and hindering justice for victims of medical malpractice. H.R. 1215

➤ Make Laws That Are Not Fiscally Prudent; Will Massively Increase Deficit

- Tax Law H.R. 1 is projected to add \$1.8 trillion to the deficit over the next ten years, making changes that disproportionately harm the middle class
 - This skyrocketing deficit is projected to result in interest rate hikes and negatively affecting real GDP in later years. Nonpartisan Source: Congressional Budget Office (CBO)
 - National Debt is projected by the CBO to exceed \$29 trillion within next ten years, the largest percentage increase since 1946
- Voted for an appropriations bill with \$1.6 billion for a wall between the U.S. and Mexico, breaking the president's promise that Mexico would pay for it, not U.S. taxpayers. H.R. 3219

➤ Decrease Gun Safety

- Co-sponsored a bill to remove silencers from National Firearms Act asserting silencers are a form of hearing protection for gun users H.R. 367
- Make concealed-carry firearm permits valid across state lines. H.R. 38
- Repeal a regulation that would keep guns out of the hands of certain severely mentally ill people. H.J. Res. 40 – became law
- Let veterans diagnosed with mental illness own and transport firearms unless found by a judge to be dangerous. H.R. 1181 – passed House

➤ **Harm Investors, Consumers, and Workers**

- Repeal FCC rule that barred internet service providers from sharing data on customers' activities. H.J. Res. 34
- Repeal guidance to protect borrowers from discriminatory markups on auto loans. S.J. Res. 57 – became law
- Let federal contractors keep labor violations secret. H.J. 37 – became law
- Let employers avoid accurately recording work-related injuries, illnesses. H.J. Res. 83 – became law
- Repealed rule that prohibited certain financial companies from requiring consumers with grievances to arbitrate instead of sue over contract violations. – H.J. Res. 111 – became law

➤ **Dismantle Clean Air, Water, and Environmental Protections**

- Delay implementation of ozone standards. HR 806
- Repeal rule requiring energy companies to reduce waste and emissions. H.J. Res. 36
- Repeal of Bureau of Land Management planning rules that allowed local input about private land. H.J. 44 – became law
- Repeal stream protection rule that regulated coal mining waste in waterways. H.J. 38 – became law
- Prevents restitution by a polluter to harmed communities for services such those needed to fund health services and help small businesses (e.g. Deepwater Horizon and Exxon Valdez) – H.R. 732 – passed House
- Limits Federal courts from certifying class action suits, hampering lawsuits against polluters – H.R. 985 – passed House
- Repealed Alaska National Wildlife Refuges Rule – H.J. 69 – became law

➤ **Harm Education, Undermining Support for Schools and Teachers**

- Repeal rule that would have ensured states examine more than a few measures of school success and given states more flexibility to address school needs. H.J. 57 – became law
- Repeal rule that would have helped states better assess teacher preparation programs and enabled the technical assistance they need. H.J. 58 – became law

➤ **Deny Access for Women to Healthcare**

- allow state and local governments to withhold distribution of federal funds to qualified healthcare centers if they perform abortions – H.J. Res 43 – became law
- Permanently ban the use of federal funds for abortion or healthcare coverage that includes abortions – H.R. 7 – passed House
